Creating a New Surfboard Model

Add a New Product

From the Manage Products Screen, select the green ADD PRODUCT button

The screenshot shows the CAVEWIRE Manage Products interface. At the top, there's a navigation bar with various menu items. Below it, the 'MANAGE PRODUCTS' section is visible. On the right side of this section, there are two buttons: '+ IMPORT/EXPORT' and '+ ADD PRODUCT'. The '+ ADD PRODUCT' button is highlighted with a red circle. Below these buttons, there's a 'SELECT ADD PRODUCT' section with 'RESET FILTER' and 'SEARCH' buttons. A table of products is displayed below, with columns for ID, Name, SKU, Type, Attrib. Set Name, Price, Qty, Visibility, and Status. The table contains 11 records. At the bottom right, there's a 'Chat' button.

Creating a New Surfboard Model

Choose Product Type

From this screen, select the ATTRIBUTE SET and PRODUCT TYPE you wish to add.

When adding a new surfboard model you will need to select the Surfboard Attribute set for your brand as well as the Surfboard Model Product Type.

The screenshot displays the CAVEWIRE application interface. At the top, a navigation bar includes the CAVEWIRE logo and a search icon. Below this, a secondary navigation bar lists various system modules: HOME, DASHBOARD, ADMIN SUPPORT, PURCHASE, SALES, CATALOG, CUSTOMERS, PROMOTIONS, NEWSLETTER, CMS, RETAILER KIT, BLOG, FAQ, STOCKISTS, TEAM, REPORTS, SYSTEM, CONTROL, and ACCOUNTING. The main content area is titled 'NEW PRODUCT' and features a 'CREATE PRODUCT SETTINGS' form. This form contains two dropdown menus: 'Attribute Set' (currently showing 'DSB_Surfboard') and 'Product Type' (currently showing 'Surfboard Model'). A green 'CONTINUE' button is positioned below these fields. To the right of the form, a text prompt reads 'SELECT ATTRIBUTE SET AND SELECT PRODUCT TYPE'. The interface also includes a 'CAVE PRODUCT INFORMATION' sidebar on the left with a 'Settings' link, and a 'CHAT' button in the bottom right corner.

General Tab

On the General Tab you will need to fill out all of the product information including Name, Description and SKU.

Creating a New Surfboard Model

On this tab you can also select the Status of the Product and whether you want it to be VISIBLE or not.

The screenshot shows the 'NEW PRODUCT (DSB_SURFBOARD)' form in the CAVEWIRE system. The form is divided into a left sidebar with 'CAVE PRODUCT INFORMATION' and a main content area. The sidebar lists various tabs like General, Prices, Surfboard Information, etc. The main content area is titled 'NEW PRODUCT (DSB_SURFBOARD)' and has a 'GENERAL' tab selected. The form fields include Name, Description, Short Description, and SKU, each with a red circle around its label. The Name field contains 'Wave Farer'. The Description field contains 'The Wave Farer...'. The Short Description field contains 'The Wave Farer...'. The SKU field contains 'DSB-WAVEFAR'. There are also checkboxes for 'Set Product as New from Date' and 'Set Product as New to Date'. The form has a 'BACK' button and 'SAVE' and 'SAVE AND CONTINUE EDIT' buttons. A 'Chat' button is in the bottom right corner.

Meta Tags

On this page you can include Meta Title, Meta Keywords and Meta Description information for your product.

This is important for Front-End websites to help improve Search Engine Optimisation

The screenshot displays the CAVEWIRE admin interface for creating a new product model. The top navigation bar includes links for HOME, DASHBOARD, ADMIN SUPPORT, PURCHASE, SALES, CATALOG, CUSTOMERS, PROMOTIONS, NEWSLETTER, CMS, RETAILER KIT, BLOG, FAQ, STOCKISTS, TEAM, REPORTS, SYSTEM, CONTROL, and ACCOUNTING. The user is logged in as CAVEADMIN.

The main heading is "NEW PRODUCT (DSB_SURFBOARD)". On the left, a sidebar titled "CAVE PRODUCT INFORMATION" lists various sections: General, Prices, Surfboard Information, Meta Information (selected), CaveWire, Images, Inventory, Categories, Up-sells, Add-ons, Custom Options, Recommended Attributes, Recommended Products, and Stock Products.

The "META INFORMATION" section is active, showing fields for:

- Meta Title:** Wave Farer
- Meta Keywords:** A large text area with the placeholder text "ENTER META INFORMATION FOR INCREASED SEO PERFORMANCE".
- Meta Description:** A text area containing the description: "Check out the Wave Farer by Demo Surfboards online today! View the largest range of Stock Surfboards online or customise your own now." Below this area is a note: "Maximum 255 chars".

At the top right of the form, there are buttons: BACK, RESET, SAVE, and SAVE AND CONTINUE EDIT. A "+ CREATE NEW ATTRIBUTE" button is located at the top right of the meta information section. A "Chat" button is visible in the bottom right corner.

Cavewire

This tab is for when your company has a multiple factory setup.

Unless you have this option setup - leave this page as is with the CaveControl Station select as 1.

The screenshot shows the 'NEW PRODUCT (DSB_SURFBOARD)' page in the Cavewire system. The 'CaveControl Station' field is highlighted with a red circle and contains the value '1'. A note states: 'ONLY CHANGE IF YOU HAVE MULTIPLE PRODUCTION FACTORIES SETUP FOR YOUR BUSINESS'. The form includes various other fields like 'CaveControl Lead Time (days)', 'Default Supplier', 'Add To Order When Stock+Onorder is Below', 'Reorder Quantity', and 'Quantity On Order'. A sidebar on the left lists 'CAVE PRODUCT INFORMATION' categories, and a top navigation bar shows various system tabs.

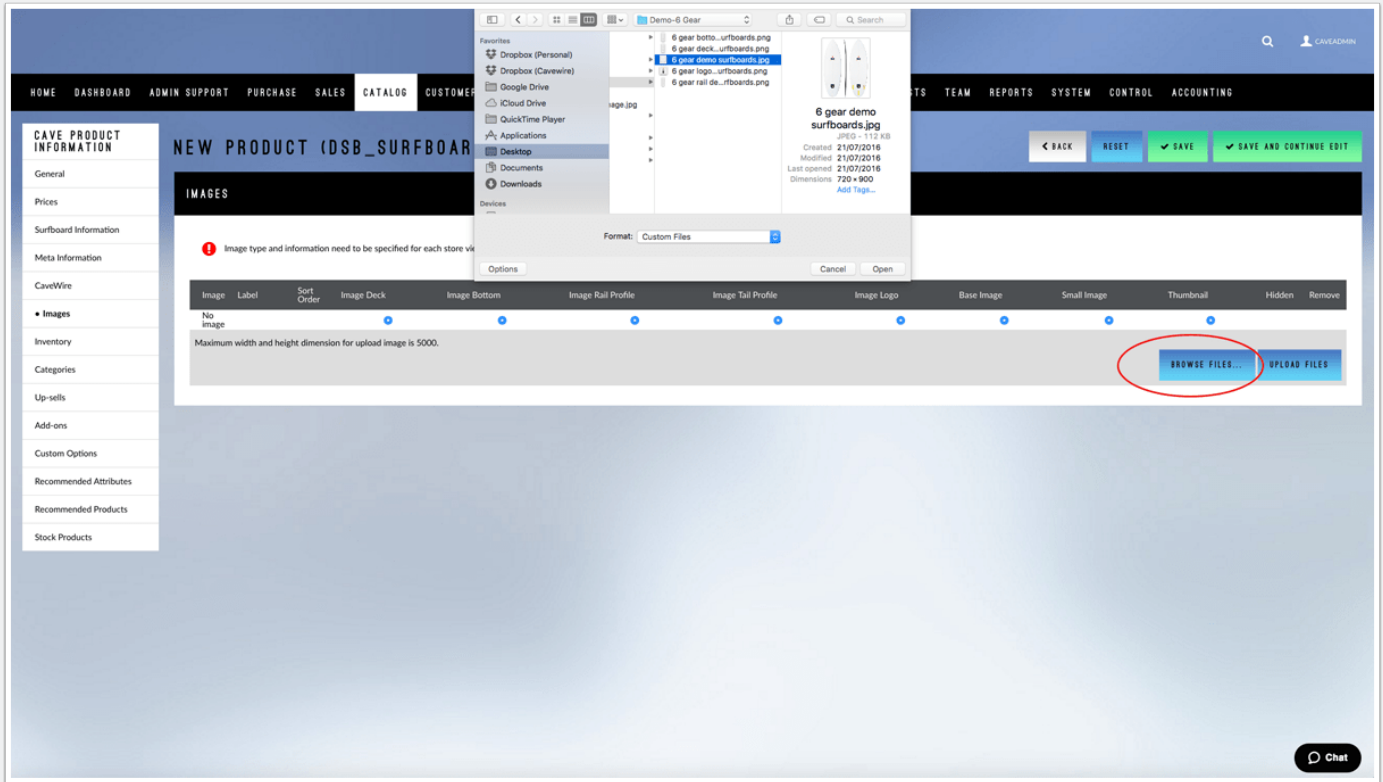

Images - Part 1

Upload your images that you want to include for the Product using the BROWSE FILES button.

This will open your local drive for you to select images from.

Creating a New Surfboard Model

Once you have chosen the images, click on the **UPLOAD FILES** button.

Creating a New Surfboard Model

Images - Part 2

Once you have uploaded your images you can then select which images are for your surfboard model.

eg. Using the radio button, select the deck image under the Deck Image button.
